- ▲ Learn how to best handle the often intimidating science section
- ▲ Get a thorough review of the most frequently tested concepts

Why should your student consider taking the ACT if many schools are not requiring it?

While ACT scores may not be used for making admissions decisions, they still may be used for:

- Scholarships
- College course placement
- UC System CA Statewide Guarantee – Automatic qualification for the UC system (not a specific UC school) by being in the top 9% of California high school graduates. The admissions index calculator uses test scores in the calculation.

DB Academics is a professional test prep company located in Palos Verdes, providing ACT Prep Programs for many years.

Materials:
