THE BEST IN SAT PREP!

Students, on average, raise their SAT scores over 100 points!

Our teaching-oriented approach will help students
in the classroom as well as on the SAT!

Students will:

- ▲ learn the most effective test-taking approaches and strategies that are applicable to any multiple choice standardized test
- ▲ get “inside the heads” of the test makers to understand and identify the tricks, traps, and deception inherent in multiple choice tests, such as those on AP exams
- ▲ get a thorough review of the most commonly tested concepts
- ▲ learn the most effective approaches for reading comprehension to save time, improve analytical thinking, and differentiate main ideas from supporting details

IT WORKS!

What Do We Offer?

- ▲ 22 instructional hours and two practice tests
- ▲ Class size limited to 20 students
- ▲ Students have the option for in-class or remote instruction

Cost: \$550 English and Math \$300 English only \$300 Math only

Why students will continue to take the SAT and PSAT

- They are not only applying to UC schools
- They are trying to get significant scholarships
- If they do well, it will be advantageous to submit scores to those colleges that are test-optional
- College course placement
