

DIGITAL SAT WORKSHOP 3 AT SERVITE HIGH!

Begins March 19 to prep for the May or June Digital SAT!

Provided by
DB Academics

THE BEST IN SAT PREP!

Students, on average, raise their SAT scores over 100 points!

Our teaching-oriented approach will help students
in the classroom as well as on the SAT!

Students will:

- ▲ learn the most effective test-taking approaches and strategies that are applicable to any multiple choice standardized test
- ▲ get “inside the heads” of the test makers to understand and identify the tricks, traps, and deception inherent in multiple choice tests, such as those on AP exams
- ▲ get a thorough review of the most commonly tested concepts
- ▲ learn the most effective approaches for reading comprehension to save time, improve analytical thinking, and differentiate main ideas from supporting details

IT WORKS!

What Do We Offer?

- ▲ 22 instructional hours and one practice test
- ▲ Class size limited to 15 students

Why Should Students Continue to Take the SAT?

- *At most colleges, the SAT or ACT is optional or required*
- *Many lucrative scholarships are based on SAT scores*
- *The number of UC and CSU applicants has tripled, making it a lot harder to get accepted*
- *Students should keep their options open!*
- *UC and CSU course placement*

Cost: \$350
